

BONAIRE

June 9 – 16, 2012

Typically, shore diving is not the best diving you will find on your dive vacation. Bonaire, however has some of the best shore diving in the world. A short swim from shore and you are diving on one of the most beautiful walls to be found anywhere.

Led by Tortuga Bay's Jim Maple, this Dive and Drive group trip will give you as much or as little diving as you can fit into a week. Accommodations will be at the always popular Buddy Dive Resort. Your accommodations will be complete with kitchenettes so you can choose to dine in or go out to one of the many great eateries the island has to offer.
